Health and Wellbeing

Change4Life and Health and Wellbeing Clubs, Training and Resources	1-day inset for TA/staff running C4Life with resources and equipment	<input type="checkbox"/>
---	--	--------------------------

Training Young Leaders	Linked to Change4Life/Health and Wellbeing clubs with 2 x ½ days	<input checked="" type="checkbox"/>
-------------------------------	--	-------------------------------------

Bike Ability	Bike Ability is cycling proficiency for the 21st century, designed to give the next generation the skills and confidence to ride their bikes on today's roads. Levels 1 and 2 are delivered to year 6 pupils over 8hrs	<input checked="" type="checkbox"/>
---------------------	--	-------------------------------------

Tots on Tyres	Aimed at reception. Each school to receive 6 Balance Bikes and a series of session plans for a period of five weeks. Each school will also receive 5 hrs (1 hr per week) of training for teachers and the young children.. Leading on from the sessions, we will run a one off After School session for the children to bring along their own bikes where we will assist them with the progression to cycling with pedals	<input checked="" type="checkbox"/>
----------------------	---	-------------------------------------

Beyond Sport Programme	A 10 week programme of activity for your year 5 or 6 pupils. The programme includes a wide range of activities including, team building, leadership, emergency first aid, cup stacking, scooting and dance mats	<input checked="" type="checkbox"/>
-------------------------------	---	-------------------------------------

Dance from the Heart Project	Delivered through South Ribble Sports Development in partnership with the British Heart Foundation. Schools will receive training for year 6 pupils in the delivery of a choreographed dance. Schools receive the music and a DVD of the dance to take back to their school and through their young leaders teach the dance to their whole school. A healthy heart roadshow is then taken around the participating schools where they will have the opportunity to perform the dance.	<input checked="" type="checkbox"/>
-------------------------------------	---	-------------------------------------
