

St. Paul's Church Carol service

16th December 2018

On Sunday 16th December children and staff attended the Parish Carol service. Forty seven children and their families filled the Church to listen to the service of nine readings and carols. The children from school sang two lovely carols including the Choir singing 'O Holy Night.' It was a special service celebrating the first Christmas. Mrs Gibson, Head Teacher read a lesson along with pupils from the school. Father Matthew gave '*thanks to all the readers, St. Paul's Choir and staff and children of St. Paul's School who made this service possible.*'

Once again parishioners welcomed the children and staff from school as we worship together.
