## SCIENCE, TECHNOLOGY, ENGINEERING & MATHEMATICS LESSON.

### WELL DONE Y.6

Year 6 pupils had a very successful STEM FIRST morning in school this week. The Mayor and Lady Mayor, Councillors and STEM Ambassadors from the business world were very impressed with the children. I received a lovely letter from our visitors who commented;

**'The Mayor and indeed all our party from South Ribble Council were incredibly impressed by your students from a learning perspective but also in terms of their engagement and general behaviour which was outstanding, a credit to the school and themselves.'**

We are very proud of the children as they displayed excellent team work, problem solving and communication skills. A super Y.6!
