We will be investigating old toys and baby pictures, thank you to those who have already sent things to school to support this learning. In Geography we will continue to learn about the UK. Special Events/Activities/News

This half term the children will be learning about the history of themselves and their families. I would like each child to bring a photograph of themselves as baby (labelled with their name). It would also be useful if you have any old toys that we could add to our Toy Museum.
