

Y3 Summer 2 Newsletter

We hope you have had a lovely time over the Spring Bank holiday and are looking forward to working together with you and your child. We attach a copy of our Summer 2 curriculum overview of topics that will be taught this half term. Our topic is called 'How Does Your Garden Grow?' and will have a strong focus on Science and Design and Technology. We hope that your child enjoys their last term in Y3.

Teachers in Year 3

I will teach Y3 Monday to Thursday and the children will also be taught by Mrs Hayward on a Friday. Mrs McLean will teach on a Tuesday afternoon to cover my non-contact time. Mrs Hayworth and I have worked together to work and routines for the class so that the children have a consistent approach to learning and behavioural expectations. Mrs Carmon and Miss Cuthbertson will be our teaching assistants throughout the week. Please don't hesitate to come and see either of us if you have any questions or queries.

Mrs Parker

Reading in Year 3

Whenever your child reads please ensure the diary is dated and signed with any relevant comments. Books will be changed on a Monday, Wednesday and Friday. They will need to keep their reading diary and book in their book bags to bring to school every day. The children will also have lots of opportunities to read and enjoy books throughout the week at school in class and in the library.

Star of the week...

Each Friday one child will be chosen to be our 'Star of the Week' and two children will be invited to be in good work worship which takes place on a Friday at 2:30pm in the school hall. We will contact you to let you know who is taking part either by letting you know in person or by text the day before so watch out!

General Reminders...

- The children will be doing **PE** on **Mondays** and **Thursdays**. Please ensure your child has their PE kit in school all week and that all items are clearly labelled.
- Any letters or reply slips, which need to be returned, can be put in your child's book bag. The children are expected to check them each morning and give things in before the morning register.
- The children will continue to have a weekly spelling and test on a Friday. Children will be given spellings to learn on a Friday to take home and will be tested the following week.
- All the class are registered on 'MyMaths' and SPAG.com so homework will be set online and monitored by both class teachers. You will still receive information in the homework diary regarding the tasks set and any other news that may be relevant.
