

Year 6 Class Newsletter Summer 2 2026

Welcome back, I hope you all enjoyed the break. This half term marks the final few weeks of your child's time with us here at St Paul's. For most, it will be a time of many mixed emotions. But we hope to make it as enjoyable and as memorable as possible as they begin to prepare for the next exciting stage in their lives. I would like to congratulate all the children on their fantastic effort and attitude shown towards their SATs last half-term. We now await the results due to be released on the 7th July.

Routines

P.E for this half term will be on a Thursday and a Friday afternoon.

Your child is expected to have a full school PE kit for lessons. Any child wearing earrings must be able to remove them for PE lessons (or no earrings to be worn on PE days). All long hair must be tied back for P.E lessons.

Please can I ask that all children with long hair wear their hair tied up for school to avoid unnecessary distraction.

A reminder that we are a nut free school, so please do not send your child to school with nut-based snacks. We encourage healthy snacks (fruit) to have at break. Toast is also available to order via School Money.

Mobile phones must be handed into the school office upon arrival at school. Children must not use their phones in the playground whilst they are waiting for the school day to begin. Children must collect their phones via the main school entrance at the end of the day.

A polite reminder that make-up and jewellery are not part of our uniform policy. Parents will be contacted if children arrive in school wearing make-up.

Transition will be our key focus over the next 6 weeks. I am continuing to liaise very closely with all the high schools to ensure that all children get the support and information they need. Some high schools will be coming in to meet with me and the children.

In school there will be real emphasis on helping the children to develop their independence and resilience. Children will need to be organised and you could help to support this at home. I would just like to repeat these suggestions that I made last half term:

Allow your child to pack their bags/PE kits for school themselves the night before school.

Let them be responsible for doing their own homework and handing it in on time.

If they are going to be walking home from high school, allow them to walk home or to a designated point after school. If possible allow them to go to the local shop.

Keep consistent bed time routines.

Limit the use of mobile phones/ online activity.

Give them responsibilities at home.

Make sure they can tell the time

Expectations:- I will be teaching a full curriculum up until the end of term, therefore I am expecting the same routines regarding behaviour for learning, reading books, homework, etc to continue. It is also important to ensure that correct school uniform is worn. The children are setting an example to younger children in school.

It is an incredibly busy half term. I will post weekly reminders on the class dojo. Therefore, it is vital that children are in school every day, as I would hate for them to miss out on any of the activities.

Class Dojo remains my main source of contact. Please be aware that I am often unable to access the Dojo whilst teaching. I will try to post photos and share with you what we are doing in class.

You could also send me a non-urgent message in via your child's homework journal.

Diary Dates:

Tuesday 9th June - all day - Blackpool Pleasure Beach Trip. Please note - we will not be back until 4:45/5pm. I will update via Class Dojo.

For 5 weeks commencing - Wednesday 10th June after school- Yr5/6 athletics. For those who have been allocated a place.

Friday 17th July - 1:30pm - Leavers Service in church. Children will leave from church

I will post more information and reminders for each event nearer the time.

KS2 Production - Mystery at Magpie Manor

We are very excited to be able to put on a KS2 production again this year. Each child in Year 6 has a part in the play and will be supported by the rest of KS2 with the musical numbers and non-speaking roles. I ask for your support with the learning and practising of lines. Your child will need their script in school every day. Information will be sent out detailing the help required with costumes. Please would you let me know in good time if there are any issues with this. As we have an exceptionally busy half-term, it may be necessary to hold some lunch-time and after school rehearsals. I will inform you and ask for your permission if this is the case.
