

Geography Curriculum Threads

Threads are groups of units across the curriculum that build a common body of knowledge. By carefully mapping these threads across our topics and revisiting them in different sequences of learning, we will help children gain geographical perspective by placing their growing knowledge into different contexts, understanding the connections between local, regional, national and international Geography. These threads are revisited over time and add to the cohesiveness of our curriculum as the children progress through their primary education.

Thread	Link unit of work
Local area 	Y1 - Map Makers Y2 - The Place Where I Live and Play Y3 - Investigating our Local Area Y4 - Investigating Rivers: River Lostock Y6 - A Study of the Human and Physical Geography of Blackpool
The UK 	Y1 - Let's Explore London Y3 - National Parks: The Lake District Y5 - The United Kingdom
Europe 	Y4 - Passport to Spain and Madrid
World 	Y1 - The World (including hot and cold places) Y2 - Let's Explore Kenya Y3 - Volcanoes and Earthquakes Y4 - Protecting Our Planet

	Y5 - Where Does Our Food Come From? Y5 - Exploring the Amazon Y6 - North America
Climate and weather 	Y1 - The World (including hot and cold places) Y2 - Weather Patterns Y4 - Passport to Spain and Madrid Y4 - Investigating Rivers: River Lostock Y5 - Where Does Our Food Come From? Y5 - Exploring the Amazon Y6 - North America
Water and rivers 	Y1 - Let's Explore London Y3 - National Parks: The Lake District Y4 - Investigating Rivers: River Lostock Y5 - Exploring the Amazon
Mountains, volcanoes and earthquakes 	Y3 - Volcanoes and Earthquakes Y3 - National Parks: The Lake District Y5 - The United Kingdom
Land use and settlement 	Y1 - The World (including hot and cold places) Y1 - Let's Explore London Y1 - Map Makers Y2 - The Place Where I Live and Play Y2 - Let's Explore Kenya Y3 - Investigating our Local Area Y3 - National Parks: The Lake District Y4 - Investigating Rivers: River Lostock Y5 - The United Kingdom

	Y5 - Where Does Our Food Come From? Y6 - North America Y6 - A Study of the Human and Physical Geography of Blackpool
Economic activity 	Y1 - Let's Explore London Y2 - Let's Explore Kenya Y3 - National Parks: The Lake District Y4 - Protecting Our Planet Y5 - The United Kingdom Y5 - Where Does Our Food Come From? Y5 - Exploring the Amazon Y6 - A Study of the Human and Physical Geography of Blackpool
Natural resources 	Y1 - Map Makers Y2 - The Place Where I Live and Play Y2 - Let's Explore Kenya Y3 - Volcanoes and Earthquakes Y3 - National Parks: The Lake District Y4 - Investigating Rivers: River Lostock Y5 - The United Kingdom Y5 - Where Does Our Food Come From? Y5 - Exploring the Amazon
Earth geometry 	Y1 - The World (including hot and cold places) Y2 - Weather Patterns Y3 - Volcanoes and Earthquakes Y5 - Where Does Our Food Come From? Y6 - North America

Human processes 	Y2 - The Place Where I Live and Play Y3 - Investigating our Local Area Y4 - Passport to Spain and Madrid Y5 - The United Kingdom Y5 - Where Does Our Food Come From? Y6 - A Study of the Human and Physical Geography of Blackpool
Physical processes 	Y1 - The World (including hot and cold places) Y2 - The Place Where I Live and Play Y2 - Weather Patterns Y3 - Investigating our Local Area Y3 - Volcanoes and Earthquakes Y4 - Passport to Spain and Madrid Y4 - Investigating Rivers: River Lostock Y5 - The United Kingdom Y5 - Where Does Our Food Come From? Y6 - A Study of the Human and Physical Geography of Blackpool
Diversity 	Y2 - The Place Where I Live and Play Y2 - Let's Explore Kenya Y4 - Passport to Spain and Madrid Y5 - Exploring the Amazon Y6 - North America
Sustainability 	Y3 - National Parks: The Lake District Y4 - Protecting Our Planet Y5 - Where Does Our Food Come From? Y5 - Exploring the Amazon

	Y6 - A Study of the Human and Physical Geography of Blackpool
Interconnection 	Y2 - Let's Explore Kenya Y4 - Protecting Our Planet Y5 - The United Kingdom Y5 - Where Does Our Food Come From? Y5 - Exploring the Amazon Y6 - North America
