

MONDAY MEMO

14th October 2024

A huge congratulations to our Stars of the Week and Good Workers for last week.

	Star of the Week	Good Work	'Wisdom Wonder'
Reception	Willow A-P	Amelia W & Holly H-C	Charlie H
Year 1	Vincent J	Oscar J & Lucas C-C	-
Year 2	Pippa L	Hallie D & Avanthika S	Eddie O
Year 3	Elouise C	Hilal D & Harry B	Robyn P
Year 4	Drew P-C	Kian F	Ella J
Year 5	Heidi C	Jaxon S & Megan T	Connie H
Year 6	Max T	Henry D & Harry A	Theo H

Instagram Page

We are excited to announce that our Instagram page is now live! We very much look forward to sharing all things 'wow' about St Paul's with our community. As stated in the Photographic/Video consent letter, this social media platform will be shared publicly. We will no longer be using Facebook moving forwards.

Attendance

w/b 07/10/2024

Reception 99%

Year 1 98%

Year 2 96%

Year 3 100%

Year 4 99%

Year 5 97%

Year 6 97%

Whole School Overall 98%

Target 97%

House Points

The winning team at the end of each half term wins a reward afternoon.

w/b 07/10/24 results are:

Pendle: 389

Bowland: 388

Longridge: 334

Parlick: 379

The overall winners for this half term are...Bowland!

Diary Dates

Wednesday 16th October
Open Afternoon 1:30-3:00pm

Thursday 17th October
End of term awards 09:05am
Reception Reading Evening 5:00pm

Friday 18th October
School closes for half term 3:20pm

Worship Values

Our worship value this half term is Wisdom.

In the weekly Celebration Assemblies, we will celebrate 1 pupil from each class who has shown the term's value.

This term we will celebrate our 'Wisdom Wonders'.

Weekly Worship

Every Thursday 9:05am
Everyone welcome

Support children less
fortunate than you are

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators TEACHING CHILDREN FIRE SAFETY

Fire safety is especially important around Bonfire Night, as fireworks, bonfires and sparklers add extra risks for families and young children. Every year in the UK, thousands of accidents occur due to improper handling of fireworks and neglecting fire safety measures. This guide offers practical tips for keeping children safe when handling everything from fireworks to space heaters.

1 BONFIRE NIGHT AWARENESS

Bonfire Night is exciting, but it comes with several inherent risks. Educate children about the dangers of fireworks and open flames. Teach them that only adults should handle fireworks and that bonfires should never be approached. Keep children at a safe distance (at least five metres away) from bonfires and explain why supervision is crucial during these events.

2 SUPERVISE FIREWORK USE

Fireworks should only be handled by responsible adults who are following UK laws and guidelines. Make sure to buy fireworks that meet British standards and adhere to all instructions that come with them. Keep children at a suitable distance from any firework activity and designate an adult to supervise the event. Ensure no one goes near fireworks after they've been lit.

3 SPARKLER SAFETY

Sparklers are often captivating for little ones, but they can burn at extremely high temperatures – over 1,000°C! Only allow children over the age of five to use sparklers, and make sure they wear gloves. Teach them to hold sparklers at arm's length and never wave them near others. Once a sparkler has burned out, extinguish it fully in a bucket of water – which you should prepare beforehand and always keep nearby.

4 ORGANISED DISPLAYS ARE SAFER

If possible, families should attend an organised fireworks display rather than holding one at home. These tend to be far safer as they're run by professionals adhering to strict safety regulations. Organised displays also provide a controlled environment where children can enjoy the event from a safe distance, reducing the risk of accidents.

5 KEEP FIREWORKS AWAY FROM THE HOME

If you are hosting your own fireworks display, set them off well away from homes, sheds or fences to avoid starting accidental fires. Choose a wide-open space with no flammable materials nearby and keep a means of putting out fires to hand in case of emergency – such as a bucket of water, a hose or a fire extinguisher. Afterwards, ensure that all fireworks are fully extinguished and never attempt to relight one if it doesn't go off.

6 BONFIRE SAFETY

If you're building a bonfire, place it well away from trees, buildings, fences or anything else flammable. Make sure it's structurally sound and not at risk of collapsing. Only burn natural materials like wood and leaves, avoiding petrol or other accelerants. Children should be kept far away from the bonfire, and it should always be supervised by adults. Be sure to fully extinguish the bonfire before you leave it.

7 "STOP, DROP AND ROLL"

Ensure that children know what to do if their clothing catches fire. Teach them the simple "stop, drop and roll" technique, which can quickly extinguish flames. Practice this with them before events like Bonfire Night, so they feel confident if the need to use it arises. It can also be helpful to keep another means of putting out these kinds of fires on standby, just in case. An extinguisher or flame-retardant blanket are both good choices.

8 SECURE CANDLES AND OPEN FLAMES

Beyond Bonfire Night, everyday fire safety is also crucial. Candles can be a common fire hazard, especially in homes with young children. Teach children not to touch any open flames, and ensure candles are placed in sturdy holders away from combustible materials. Never leave candles, incense burners or other such items unattended, and always extinguish them fully before leaving a room or going to bed.

9 EDUCATE ABOUT FIREWORKS HAZARDS

Make sure children understand the dangers of playing with fire or fireworks, and how to handle such things responsibly. Emphasise that fireworks are not toys and can cause serious injuries when improperly used. Demonstrate the importance of treating fire with respect and the consequences of misuse, which can help temper any curiosity and any resultant dangerous behaviour.

10 FIRST AID FOR BURNS

Even if you have the best possible precautions in place, accidents can still happen. Keep a first aid kit on hand. Ensure you know how to apply basic first aid to burns, so you can teach children those techniques too. If someone suffers a burn, run it under cool water for 20–30 minutes. Never use creams or ointments, as these retain heat and can cause further damage. Instead, seek medical help if the burn is serious.

Meet Our Expert

James Whelan is an experienced health and safety expert who is a Chartered Member of the Institution of Occupational Safety and Health. He provides services to educational settings and many other industries, helping them to maintain a safe working environment.

SCHOOL ADMISSIONS PRIMARY SOUTH

Do you have a child starting
primary school in September 2025
and living in Lancashire?

Closing date: 15 January 2025

You **must** apply even if a brother or sister is already at the school, or the school is linked to your child's nursery. Please read the admission criteria for your chosen schools on the website, or get a copy from them.

Apply for a school place now by scanning
the QR code or visit lancashire.gov.uk/schools

If travel cost is an important factor in your school preference,
please check the guidance on our website, or call **01772 532109**.

**HAVE
YOUR SAY**

*Between 1 October and 31 January schools are consulting with
you to make sure admission arrangements meet future needs.
To find out more please visit www.lancashire.gov.uk/schoolplaces
and click 'school admission policies'.*

WWW.CLEANAIRCREW.CO.UK

EMBEDDING AIR QUALITY AND ENVIRONMENTAL EDUCATION INTO CORE CURRICULUM LEARNING

Your school has signed up to the education resource www.cleanaircrew.co.uk, an interactive website to educate and engage children on the issue of air quality in a safe, fun environment.

There is no intention to scare and although the impacts of air pollution are potentially severe, our aim is to raise awareness in the hope of mitigating against future problems.

We are inviting parents to sign up for full access to the main site as some schools use the resource for homework activities but also because, beyond the core curriculum activities, it is our hope that the resource provides a fun platform to nurture wider engagement within families and communities on this important issue.

Your school's unique code to enter when signing up for home learning access is:

SRFMSTP

Please ensure you select the parent option when completing the form.

Once access is approved you will receive a verification email - **your username will be the email you registered upon signing up and the password will be the unique code mentioned above.** Please check your spam folder as on occasion the verification email may be sent there. Any problems, please get in touch.

We do not share your details with anyone else and they are only collected for the purpose of setting up your account. We may on occasion contact you about site updates and other supporting initiatives you might be interested in. You are free to opt out of these communications at any time. Please refer to our privacy policy on the website for more information.

Thanks for playing a part in making the air cleaner for our children and communities and we hope you enjoy exploring the resource with your young learner.

Please note: Due to Microsoft removing support for Internet Explorer, and to ensure the site remains secure and fully functional, the resource will not work on this outdated browser. It will work on all others, including Edge, Firefox and Chrome and tablet OS. Also, due to the many interactive elements including in the resource it will not function at full capacity on mobile phones.

Go to the website and click sign up

Once on the sign up page click this link
