Book Wagon Pop Up Book Fair

Earlier this half-term we enjoyed a visit from the inspiring Bronnie and Bob from BookWagon book shop. They brought along their 'Pop Up' book shop and treated the children to a bespoke presentation where they recommended and reviewed many of their favourite books. The teachers remarked on how engaged the children were with the book talk and it was fantastic to see so many children and families enjoying reading and choosing new books together.

We hope to make this an annual event. Please consider buying from their independent online book shop for all your future purchases. [Homepage – Bookwagon](#)

Thrive in the Gift of Life

Books that demonstrate our School Values – Respect

Our Christian Values help us to reflect on how we can live our lives, support each other and grow as a thriving community. The themes are explored further in class through RE lessons, PSHE, Art, Music and Drama. Teachers will often use stories to help children to recognise and understand the significance of a particular value in everyday life.

Next half-term our value is Respect. Here are some books you might like to share with your child to explore the value.

Reading Breakfast

Reading breakfasts have been well attended so far this year. Thank you for supporting your child with this.

Future Dates :

16th June 2023 – Year 6

30th June 2023 – Year 2

All are welcome to come along; have a coffee and a pastry and enjoy sharing a book with your child.

We truly believe that reading with your child every day is the one thing that you can do to help your child reach their full potential

School Library Refurbishment

During the half-term break, our school library is being treated to a refresh. New carpets and new shelving will hopefully create an inviting home for all the new books we have recently purchased. We plan to use the new space to display books by specific authors, books on a theme or books relating to a particular season or celebration. We know that the range of books we have chosen will not only enhance our current curriculum provision but will also continue to instil a love of reading for pleasure that is at the core of our school ethos.
