Year 5 Page Turners

The Page Turners are now made up of a group of reading enthusiasts from Year 5s. We are currently enjoying reading 'Crater Lake' by Jennifer Killick. We were super excited to receive a personalised message from the author herself!

Jennifer Killick sent you a Direct Message.

Hello, Year 6 and The Page Turners at Farington Moss St Paul's CE Primary! I was so excited to hear that you decided to take a trip to Crater Lake, and I hope you're having lots of fun. I have some tips that you might find helpful... First, make sure you have supplies - drinks and snacks are essential. DO NOT EAT THE SOUP! Second, keep your friends around you and remember that your best chance of survival is if you work as a team. Third, keep your eyes open - DO NOT FALL ASLEEP! And if you enjoy your trip to Crater Lake, the sequel is coming out this week, so look out for Crater Lake: Evolution.

Year 5 – 'The Page Turners'.

Thrive in the Gift of Life

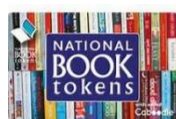

Books about looking after our Wonderful World

This half term our Christian Value has been 'Creation and Creativity'. During worship and in our lessons, we read Bible stories about how God created the wonderful world in which we live in. We are also aware of the increasing threats to God's creations and that we all have a very important role to play in protecting our environment.

We have some of these books in school so that you can learn more about the importance of protecting our natural world. You can also read about the activists who are working extremely hard to campaign against the dangers of climate change and plastic pollution.
